

It is ~ still Trump Leading in #Merica

Update ~ Sept. 20

#TheDonald continues to trump the ~ [Pubs](#) and the ~**D`s** ~ or , as some Politico's Kall them ~ the Elephants and the Donkey are fearing the Wildabeast ~ aka ~ **#TheDonald**

Now, I'm not the most Political Beast there is ~ Always found the Politician to be a Tad Greasy At Times. Not something I can put my hand on, ya know, but really don't know what I have Hearing when I'm Listening.

Seemingly odd, but All Politician's I've spoken to thru the Decades ~ including the Late Great [Warren E. Hearnes](#) ~ who is the exception to this Rule I'm alluding ~ held the capacity to speak out both sides of their mouth while also dropping bombs from elsewhere in the lower part of the anatomy.

Well, Let Me Also Quickly Add ~ However ~I do not include [Jo Ann](#) and [Bill Emerson](#) who were the Last Great Hope this District Had ~ imho ~ . Nothing against our current rep ~ who I've only met A Couple Times and Find Very Likable ~ [Jason Smith](#) ~ he hasn't registered yet on my anti` Pol sentiment ~ yet ;**But**, the longevity built up thru the Emerson Dynasty was Lost when she resigned from Congress.

[Put this District back a Long, Long Ways in the Legislative Muscle~ Aspect of the Delegation from the 8th district of Missouri.](#)

Now, The **PC Police Likely** will find this offensive. So B IT!

I'm ~ as well as a Growing Number of Americans ~ are fed up with Washington, DC. ~ and, All that it encompasses; represents and currently attempts to Lead the Greatest Country in the History of Planet Earth deeper into the Great Abyss.

A Doomsdayer I'm not ~ an End of Timer ~ Either. A Pragmatist. A Realist, if you will. For you see, I know the **#Merica** I'm Leaving to My Children is not the one I inherited from My Parents. Sadly, it is true. Really, a non-debatable issue.

So, where do *We Move From Here* ~ is more the salient point of the Post.

#TheDonald ~ Yeah, he's no Politician. GOOD! ` And, he says things that are Ludicrous ~ Off the Wall ~ Out of Bounds ~ semi-offensive; racist and wakky ~but, I Dig It!

Continue on Mr. Trump. I do not care if U Win the 'Publican nomination ~ and I really don't care a whole Lot who my Democrats will Settle on in the End, although My Hunch is a [#Hillbilly](#) Led Ticket.

My preference would be [#Beau's Pop ~ Joe ~](#) that, would be more tolerable; palatable and Honorable for the Donkey's to put forth.

#DLP

My most Sincere Hope is the ~Pubs continue their High-Horse Ways and Force [#The Donald](#) to A 3rd Party Candidacy...

[... "bring me that Fiddle,"](#) commands [Nero](#)

from the Throne.

Update: In the Case You've Been Under A Rock Department...Wednesday, Aug. 12

Breaking right this minute on [CNN](#) is the Republican Power Rankings and the Pundits ~ *Media* ~ Are All Wrong.

[Donald Trump's polling number continue to Puzzle](#) Party Leaders and apparently Amuse the

#Merican Public. 'Because' you see, this whole [POTUS](#) thing that's up for grabs in November of 2016 is quite a serious thing. ***#BeausPop***.

Except, it's Not, if you talk to serious Folks at the Lunch Table at [The Depot](#); or, [The Glenn](#) for Coffee at [Boomland](#) or [Tasters](#). Donald Trump is gaining ground and growing on People.

With his Fresh Take on things and the rather refreshing *#ShutUPMedia* Mantra he ~ and his henchmen ~ are pulling off ~ and doing so quite well in Any Poll you wish to use ~ it's rather amusing ~ to me.

Or, Listen to the Talk. [#TheDonald](#) is all the Rave these Days.

And, I really don't know if that's a Good Thing. But, that's just my initial Take on the Matter. Upon Further Review, what do we ~ The People ~ have to Lose. It's not Like *#Merica* ain't already Chumped Up enough~ right?

That's also a main narrative of People in Conversation as well. Not a Lot of Gab about How Great America is these Days, is there?

I know that's A Bad Thing. Just is. I Like and read History enough to Get It. Wish more People would, too. It'd Help. ***#KaintHurt***

[#The Donald](#) is ruing the day - or, more accurately, ruining the day of some [Republican Party](#) officials. He is ~ Mr. Trump ~ registering with the *#Merican* people.

And, that's a good thing. His lampooning of the Election Process **was** being grossly overlooked by left wing/mainstream and all other forms of Media.

Not now, is it?

Does anyone seriously think he'd make a Great American President in the likes of [James K. Polk](#) (stealing [Jeb's](#) thunder) or more [James Buchanan](#) in an attempt at off-kilter [Dennis Miller](#) sanguine referencing.

Suffice it to say [#TheDonald](#) has got the electorate on their toes. Perhaps, we will get a glimpse into the future of a Trump Presidency when [Fox](#) hosts the first debate.

With 10 Candidates making the big people table, it will be in their best interest to stay seated.

****First edition of this story posted Aug. 8.** *Post Debate Results* were mixed. Some had Trump thumping the Show while others were not so impressed.

Regardless, and in spite of the dust up with [Fox's Megyn Kelly](#), Trump stands atop [All Polls](#) and is triumphantly turning the Establishment on its Head.

And, that's, *A Good Thing*.

Or, as [Lindsey Graham](#) so succinctly put last night on [C-Span](#)

****I have yet to Find** the Velvet Glove Hand's "*Kain't Get It Right Stumble*" on a Vine. Perhaps, someone else has found one. If so, Please share.

Stay Tuned. It is must see TV. And Read on [#TheKron](#)

And, **#Merica** best stay tuned to see what will eventually work its way out. My early Take has moved from my initial thoughts.

I still see it as [Hillary Clinton's to Lose](#); whom can take up the mantle if She falls, is yet to be determined. [Bernie Sanders](#) would make a great Vice President I'm thinking and an even better Uncle.

For the [Republicans](#) ~ **sheesh** ~ is about All I Got to Say about that, borrowing from Gump on this one. I'm waiting for the Second Debate to evaluate further.

But, Let Me Be Clear ~ i ain't makin` fun of nun' of 'em ~ Ok.

Are We [Klear?](#) 'Because', All ~ who are in this Race ~ are Good and Decent Human Beings trying to make things better for All of Us.

And, I know as well, *that's a Good Thing*. While we may not always agree; see things the same way or even differ completely, it's sure good to know we Live in #Merica.

The Land of the Free ~ Because ~ of the Brave.

I'm just a plain ole` simple [East Prairian](#) looking way close in from the very Far Out.
