If ever there was a Summer to be in Western Kentucky.

This one is it.

The first tourist season with alcohol legal on the Lakes and a boon for the local economy as never before seen.

And, that's *A Good Thing*, as long as folks use common sense when vacationing.

For the vast overwhelming majority of Lake partakers, [that is the Game Plan](#).

Beware, if you choose to act stupid. **You will pay.**

Laws are on the books and can easily be enforced in Kentucky. Don't believe me. Google them. Or, read today's front page of the [Paducah Sun](#).

So, stay prepared. Be smart. A designated boat driver is a must for all Lake goers.

And, if you're hungry.

Visit the *Sizzlin Sisters Lakeside Grill* at the Sands and enjoy a great meal before the ride back across the Lake.

The Sisters, literally, Beth and Jenny, have been featured in papers; a reality series has been discussed; commercials...overall, it's been A Great Thing...and, the future looks Sizzlin for the Sisters.

Kentucky Lake and Barkley Lake revelers are ecstatic about having the family cook them a brat; a burger or quesadilla...and, believe me...on the water during a long day at The Sands...and you will need something to supplement the intake of beverage most are enjoying...

And, the food is receiving rave reviews. [Check out their Facebook Page](#) for more info. They offer a unique capacity to serve hot, homemade food on the water.

With a Bikini and A Smile.

That's A Great Thing.
